

# ABBY FONTENOT

## POSITION

My name is Abby Fontenot and I am in the class of 2028. I am from Palmyra, VA. I play multiple positions and I would consider my versatility to be one of my best assets. I love to play and want to learn as much as I can about the game of soccer. I want to be there for my team in any way that I can. I'm also a free kick and corner specialist. I create opportunities for my teammates to score and I can also shoot from distance with power and accuracy. I'm also a very technical player and work well in tight spaces. I play with passion and a desire to win and outwork my opponent. I'm a leader and I work very hard to help my teammates and team to be successful.

My overall goal is to be a better person and player on and off the field. My dream is to play in college and hopefully one day I will go pro. I aspire to play for a program that will help me accomplish my goals and will allow me to grow as a player and person. I've been playing/training since I was 6 years old. This is something I'm very passionate about.
