

ARIANNA JONES

Bio

My name is Ari, and I am in the class of 2028 from Alexandria, VA. My primary positions are the 7 and 11. I am comfortable playing the 9 as well. On the field I am known for my dribbling and my ability to set my teammates up to score.

As a person and a player, I want to make a difference on and off the field. I hope to be recognized as a hard worker who is willing to put in hours to achieve my dream of playing in college and beyond. I want to be part of a program that feels like family and one that prioritizes my development as a player above all else.
