BIO

My name is Jonathan Sanchez and I am in the class of 2023. I play the winger and full back position on both the left and right sides. I am a very active and explosive winger/fullback and I enjoy getting forward on the pitch and being involved in the attack. I am also a strong defender who is vocal and helps create organization in the back line. My speed is one of my biggest attributes to my game as it allows me to beat players one on one and deliver the ball into the box to create dangerous scoring opportunities. That being said, I am a great team player who gets many assists, but also loves to score. I enjoy learning from my teammates and coaches and work hard for my teammates. I enjoy being in a positive environment where the common goal is to work hard and win games.
