

RYAN LANKFORD

WINGBACK

My name is Ryan Lankford and I am in the class of 2027 and I am from Richmond, VA. I play Wingback and I would consider my leadership to be one of my best assets. When playing Wingback, I play with composure, develop the attack and counter on key opportunities. I also have been described by my coaches and teammates as a leader who is intelligent, determined, self-motivated, and supportive. I play with passion and a desire to win and outwork my opponent. I believe that my strategic mind and ability to see the field separate me from many of my peers.

My overall goal is to become a faster and stronger player on the field and continue to excel in my academics. I aspire to play for a program that will challenge me, develop me as a leader on and off the field and continue to grow my love for the game. With dreams of playing in college, I want to continue to develop my technical skills and athleticism both on and off season.
