

SAMANTHA FRIESE

LEFT WINGER

My name is Samantha Friese and I am in the class of 2024 I am from Ashland, Virginia I play Left Offensive Wing or Left Back and I would consider my ability to connect the ball to be one of my best assets. When playing left winger, I attack with speed on and am able to make different runs to receive through balls. I have been described by my coaches and teammates as a leader who is fast, determined, and creative. I play with passion and a desire to win and outwork my opponent. I believe that my desire to always improve myself along with my team separates me from many of my peers.

I will always strive to do my best and I will always conduct myself with dignity and respect. I know I can be a great contributor to any college both academically and athletically. I want to always grow as an athlete and I work hard amongst a group of teammates that will be like family. I aspire to play for a program that will fulfill my academic dreams in business or marketing and have great relationships with teammates and coaches for optimal ability to succeed and grow. With dreams of playing in college, I want to be prepared to excel at the next level by committing myself 100% to the sport, people, and as a player myself.
