

YOSHI DA SILVA

GENERAL BIO

My name is Yoshi da Silva. I am a Striker, and my secondary position is a winger on each side. I consider my speed to be one of my best assets. I play with passion and the desire to win by outworking my opponent. I believe that my obsession to be the best are what separates me from my peers. I started playing soccer as soon as I could start walking, I fell in love instantly. Growing up I've played on many rec teams and won many tournaments with older age groups, but never got the opportunity to play on a travel team. I aspire to play for a program that will help me achieve my goals
